

**Gaby Hock
on behalf of
the Haidakhan Samaj (U.K.)**

Dear members and friends of the UK Samaj!

THANK YOU!

On behalf of the Haidakhandi Samaj I would like to thank all those who have supported Babaji's work in Britain this year. This includes those who work on the inner as well the outer planes, the visible and the maybe less visible ways in which Babaji's message of truth, simplicity and love is shared and experienced.

Special thanks go to:

All those who have visited and keep the fire at the hearth of the ashram alive this year, the committee for their untiring work and focus and all those who regularly tithe and donate to the charity.

Music is probably the best medium to communicate Babaji's message. A big thank you goes therefore to all those who have both organised and joined the **various musical Babaji events** which have taken place in the many corners of the country this year. This includes:

The Healing Fields Event - a four day event near Glastonbury in which the Babaji aarti tent serves as a central feature (for more read Sangita's report in the next newsletter)

Goma in concert - Thank You!

Gopal Hari, Ambika, their two sons Shambo and Veda continue to be Britains untiring devotional musical quartet. (more about them and their 2006 calendar in the next newsletter,).

All the private households who offer their space and their time for communal aarti and bajan singing and fire ceremonies - Thank You!

(If you hold regular aarti at your home and are not mentioned in the Samaj news, please let us know, so that we can publicise your events!)

The various people who have organised and visited week-end retreats and the two navaratri held this year at **the Blaengors Ashram in Wales** -
Thank you!

And last but not least **a big thank you to all those who regularly pray, meditate and attune in a spirit of unity.** (The fact that we don't see them, doesn't mean they ain't there!)

The international Babaji community: thank you to many of you who live abroad, who have listen and supported us this year. Thank you for your prayers and well-wishing. We are grateful to you.

Shri Muniraji

Last but not least: A million thanks to Shri Muniraji for his continuous wise and compassionate guidance. May you live in our hearts forever!

The Newsletter: sorry we're late!

Sincere apologies for the delay of the newsletter. Due to various pressures, it got delayed, but hopes to arrive at your doorstep not far into the new year. I hope you will find some of the articles of interest. They will include:

- ❑ Approved planning permission for Blaengors ashram and latest fundraising plans and events
- ❑ Autumn Navaratri 2005 in Chilianaula and what Muniraji had to say
- ❑ A heart felt article by **Pete Dale**, an inspirational one by **Lalita** (pujarini from the Irish ashram) and a rather quirky one by **Widdy** (probably somewhat out of date by 2006 but you can read it on the website)
- ❑ A Sponsored walk/pilgrimage from London to Blaengors planned for May 2006
- ❑ Haidakhandi News from abroad and more (including those mentioned further above)

If you yourself have any other contributions for the newsletter, we would love to hear from you, please send them by the end of December. Thank you.
